

The first political gesture of the Czech ICODACO Collective.

People with agency try to help those without agency. They think they'll help them, but make no difference.

Practicing solidarity, cultivating empathy and symbolic planting of values for less than hour.

Participatory witnessing, backing up someone, allowing values to root.

Documentation of the group process of planting a Slovakian artist into Czech soil on 25.4.2025 at Studio Alta.

Unknown tree species existing in the ground for 30 minutes.
