

Universe
Humanity.
Nature
Activism.

Community / Universe
intuition
gut
rap
psychology
the wheel
ritual
connection
note pattern / cycle
spacetime
expression
practice

Quiet Activism
difference, anti-linearity work.
Being present, voices
practicing being with people
who are different to ourselves
Say the truth.
↓ Towards:

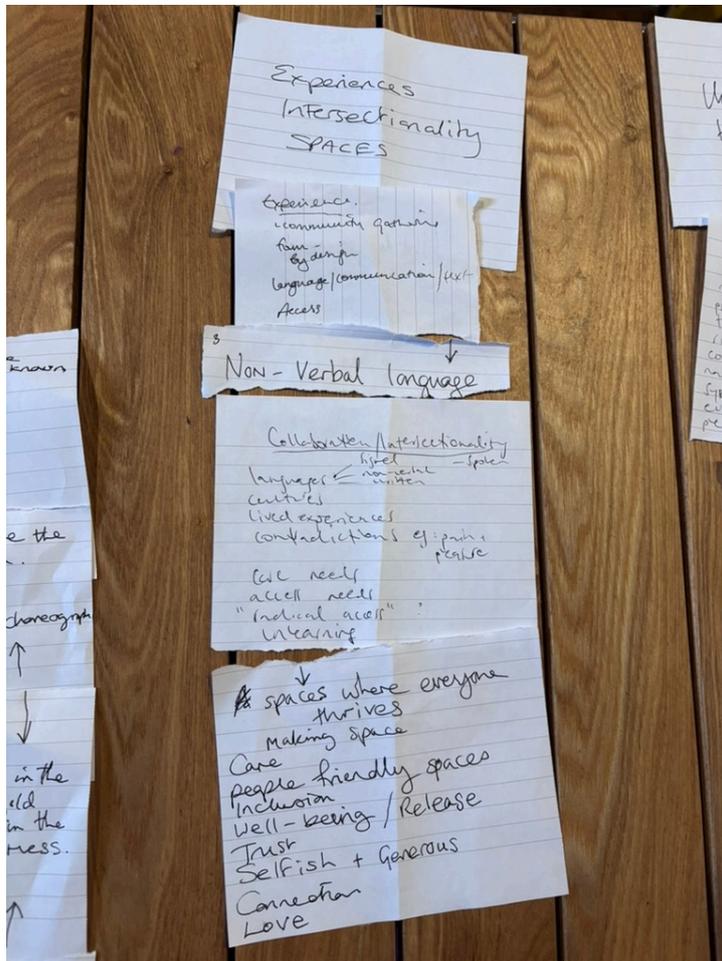

Nature
intuition / gut
impulse / human / animal / nature / essence
Vital / essential
Trojan horse (rage, fear,
motivation, assistance
attention, openness, love or
knowledge, new learning)

Consenting to explore the unknown
In the moment
Presence
Emergence

Consenting to explore the unknown.
Liveness
Live investigation
Things I couldn't choreograph
Physical enquiry. ↑

In the moment ↓
presence staying in the
now-ness gold
 staying in the
 mess.
Responsiveness
Liveness ↑

Felt sense Noticing
Being with No sand.
Interpretation
Presence
Bodies
Emergence

* Communal Non-Hierarchical
 making
 Self organising
 How do we come into
 contract
 New structures
 Navigating,
 How do we come through
 The awkward bits
 Bold enough?!

Body
Bodies Community.
Physical Activism

Body
Bodies Community /
existence
Societies / bodies / members
Range / availability ...
Body intelligence
discovery / movement / the body
Sensation, Pleasure, ...

Physical Activism

- body / bodies
- enjoying and / each other / bodies
- learning through movement
- just being here, doing me - permission
for others to do same
- the moving body
- body intelligence
- doorway for resistance / resilience
- identify spaces for people to
move together
- learning through movement

ROLE

The thing that
excites us the
most
Aging, body, Bring in ^{the body}
