Contributions:

What topics are urgent for you currently in your work?
Upload the following both to the collective contribution folder and the individual contribution folder:

Part 1
Individual contributions: Each artist uploads 3 topics/contexts/materials/themes which are currently urgent for you and your work on an individual level. Please indicate what role the ‚topic' currently occupies in your choreographic process.

Part 2
Collective Contribution: The collective uploads a list of 5 topics/contexts/materials/ themes from the individual lists which have been put together by each artist.

Part 3
Upload a voice message of 2-3 min describing how you as a collective arrived at the collective list contribution. What was the decision making process? What role would a topic/theme occupy in the upcoming work?

As this material is shared with other artists and collectives as well as publicly, please make sure that what you want to **communicate** is clearly **captured** in your contribution. It needs to be readable (if that is your intention). Remember that this is going to be shared on a digital platform.

Please upload your collective contributions (list and voice recording) to the correct folder through the following link by **Friday at 13.00 CET:** https://drive.google.com/drive/u/1/folders/1f5kkaPpO8vZl0UjovNpO5c9bwppoxFF1

The collective sharing zoom will take place on **Saturday 13.00-16.00 CET** on the regular link: https://us02web.zoom.us/j/83410400836?pwd=tZZOv1DHS2N50sj8rWo2Mn7wjSIrj6.1#success
