

Tier 15 - Score making

Continue utilising the playful attitude that was present when reviewing the materials in Tier 14.

Below you find the first draft of the score, based on the research process of all the collectives thus far, as we have articulated it.

The draft score is 3 pages, uploaded as separate documents on the iCoDaCo app

Please work with it, activate it, reflect on it.

Explore multiple versions, repetitions, edits of the score.

Document alternative iterations of the score entry that you found more functional or activating for your collective, while staying in relation to the shared interests of the 10 collectives.

Contribution: Please send in a **five minute** video (an mp4 file in good quality) of an excerpt/collage, a moment or moments of what you tried. We invite you to include the failures and/or successes that you encountered in the process. As well as aspects and trajectories you found relevant and/or disruptive,

Individual Contribution:

Each artist shall provide a contribution that you find relevant to this tier.

Upload each individual contribution to the iCoDaCo app tagging it as your own contribution with any other relevant tags and information.
